

Friendly v Ruislip **Sunday 2 August**

This return match away to our local Ruislip was eagerly awaited, as we won the home leg by 4 games to 1. A great effort was displayed by all our players on their ground but unfortunately lost this away leg by 3 games to 2. However, this was good enough to secure an overall victory by 6 games to 4.

JT Doe Trophy **Saturday 8 August**

This competition had 50 entrants, and in good golfing conditions, good scores were returned by many. Consequently players were tightly packed and three players tied at the top with 38 points, only to be separated by count back. Robert Suh was declared the winner, Jack Yarrow in second place and Ron Borsdorf back in third place.

Clapham v Wexham Park **Sunday 9 August**

Another great performance by our lads secured progress in this competition by winning this close encounter. Scores were level at 136 points each, and after the back 9 count back they were still locked together. It took the count back on the last 6 to separate them, with Haste Hill declared the winners. Well done to all our lads.

Haste Hill Open **Saturday 15 August**

Another one of our Majors. 81 runners put their skills to the test on a lovely sunny day. Again, some excellent scores were being returned and top of the pile was Richard Marchena with a blistering 63 - untouchable! Walter Kwok was a distant second with a very respectable 66 and Steve Brownsea taking third place with 67. It proved to be a fantastic turn out and a great days golf.

Eclectic Cups **Sunday 16 August**

These running competitions ended today. The Horn Cup (Gross) and the Carter Cup (Net) are awarded to the best gross and net score for individual singles competitions during May, June, July and August. Tom Hodgson came out on top in both competitions, but sadly is only eligible to win one competition. Tom was awarded the Horn Cup and George Sheriff was awarded the Carted Cup.
