## ***Scramble Rules of Play -Instructions for team Captains***

- \* Both players tee off at every hole.
- \* Captain selects the 'best ball' and a marker is placed within 6 inches of it.
- \* The player whose ball is selected plays first.
- \* The ball selected must be played as it lies unless marking and lifting is allowed within the rules of golf (ie. it is on the green or winter rules allowing 'rollover' apply).
- \* The other player will retrieve their balls and play their ball within 6 inches of the marker for every shot (this includes bunkers and rough).
- \* The number of shots taken with the first ball holed will be recorded as the team score for that hole.
