**3a. Longest Day (Macmillan Charity):**

**Adrian Green came along to discuss this competition which is hopefully going to take place on 11 June 2017 (t.b.c.). The main competition format is four rounds of golf on one day and each team will select the best two cards from each round. The overall highest scorers + highest fundraisers will go to a final to be held in Portugal (this may change to another country). At this moment in time we, as a club have 14 players interested but could take more. The minimum amount of players per team will be 2 but then both cards will have to count. We could do other fundraising competitions over the period up to the longest day (June 26<sup>th</sup>), these could consist of single round competitions, Relay style comps, putting comps and longest drive comps (or anything else that comes to mind). We are also going to try to get the press involved. It was suggested that we could have a shotgun start but S.C. pointed out that it would not be practical at a weekend, although if the comp was held on a weekday, we may be able to have a shotgun start. P.D. is to liaise with Gail regarding the Councils stance on supporting this or some local charities. The club has agreed to manage the day. Anyone can take part in this comp, they do not have to be members of Haste hill but all players must have an official handicap to take part in the overall competition but if any non-handicap golfers wish to take part in this or any other format to raise money they may do so.**

**A vote was taken for the club to support this day and was carried unanimously.**

**4. Club House & Golf Course Issues**

**Club House: Gail is to confirm the dates of the refurbishment as soon as she is given them. Gail will also check the Council's Public Liability Insurance regarding anything belonging to the club. She also stated that we should all know about the season ticket renewal date within the next 2 weeks.**

**Course Update: G.W. to ask Kevin Munt what is happening with the banking on the back of the 11<sup>th</sup> green. Also, when will the sprinkler ground working around the greens be flattened?**

**5. Social Matters:** We had the Prize-giving & presentation dinner on 11<sup>th</sup> Feb, over 30 people attended and everyone enjoyed the day. The presentation was well attended with a very good atmosphere. It was really nice to have Emma Acquah and her two children, Gina and Rachel in attendance and Emma presented the Les Acquah Trophy to George Sheriff.
